Energy Efficiency

We significantly improve the energy efficiency of engines, drives and electronic equipment. We ensure the safe energy-conscious utilization of our resources at all time.

Mobility

Infineon provides a broad variety of products and technology everyone can use to be connected every day and everywhere – at home, in the office or on the way.

Security

Infineon provides the basis for increased user comfort, safety of life, privacy, and protection of information.

Profitable growth through acquisitions & organic growth

New manufacturing and development strategy

ICoRe: Reduce complexity of organization

Focus on 10.

> 10%

Growth
